ICELAND

In recent years Iceland has become known as the Bucket List destination and we are here to ensure your once-in-a-lifetime holiday to the land of ice and fire will be unforgettable. Iceland's polarizing nature offers sights beyond belief. Arctic glaciers, lava formed caves, massive waterfalls, geothermal wonders, and adventures of a lifetime.

*In Reykjavik, Iceland, where I was born,
you are in the middle of nature
surrounded by mountains and ocean.
But you are still in a capital in Europe. So
I have never understood why I have to
choose between nature or urban.*
-Bjork

IF YOU STAND STILL, THE LANDSCAPE DOESN'T NECESSARILY TELL YOU HOW BIG IT IS. IT DOESN'T REALLY TELL YOU WHAT YOU'RE LOOKING AT. THE MOMENT YOU START TO MOVE THE MOUNTAIN STARTS TO MOVE."
